

About the 20 Miles of Furniture

Thousands of people visit Lenoir and Caldwell County each year with one thing on their minds—furniture. With 20 miles of furniture stores located along or near a stretch of U.S. Highway 321 between Lenoir and Hickory, North Carolina, the area is a required destination for any serious shopper looking for discount furniture. Nearly all manufacturers including Bernhardt, Broyhill, Fairfield Chair, Hammary, Kincaid and Thomasville can be found here along with an abundance of smaller, perhaps lesser known companies that also produce top-quality furnishings. While furniture shopping is a year-round attraction for this area, special sales are offered both before and after the spring and fall furniture markets. Especially keen shoppers can sometimes find one-of-a-kind items or deeply discounted samples. So, whether you're looking for high-end furnishings or searching for a bargain, Caldwell County is the place for one-stop shopping for every room in your home.

Shipping

Most stores offer shipping options to anywhere in the continental United States. Many also take custom orders, so you're sure to find exactly what you need at a price that is likely to be substantially lower than you would expect to pay elsewhere.
